

REMARKS/ARGUMENTS

Entry of this Amendment After Allowance Under 37 C.F.R. §1.312 is respectfully requested since it does not add any new matter and/or require further consideration and/or search. More specifically, the change in dependency of dependent Claim 5 was made to correct the lack of antecedent basis for “the second stopper” recited on line 2 of the claim. The lack of antecedent basis in dependent Claim 5 was discovered by applicants’ attorney during a post-allowance review of the claims and applicants’ attorney has been diligent in correcting any informalities that he has become aware of.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
